

STOICISM IN PLAIN ENGLISH

MUSONIUS RUFUS: THE COMPLETE WORKS (IN ONE VOLUME)

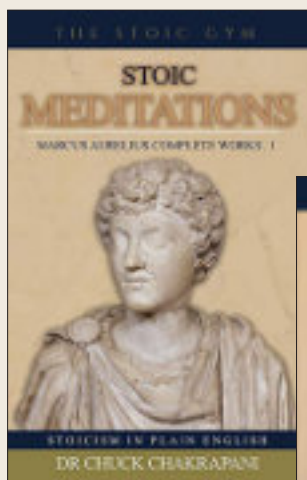

STOIC LESSONS

This is the complete works of Musonius Rufus, the man who taught Epictetus. While Musonius was very well-known and respected during his time, he is less widely known now. He was a social activist, a proto feminist, a vegetarian, and a minimalist. No topic is too small or too big for him. Here are some of the topics Musonius discusses in this book:

Why women and men are equal, why hardships are of little importance, why everyone should study philosophy, where you live or are forced to live is of no importance, how not to take things personally, living "according to nature" living a virtuous family life, and living a simple life. Musonius shows why, if you keep practicing virtue, you don't need anything special in your old age.

MARCUS AURELIUS: THE COMPLETE WORKS (2 VOLUMES)

STOIC MEDITATIONS (MEDITATIONS)

Meditations is the personal journal kept by the beloved Roman Emperor Marcus Aurelius. It was never meant for publication and yet, after his death, it has become the most widely read book on Stoicism. *Meditations* is a deeply moving personal journal which is uplifting and invigorating. <https://amzn.to/2PvC7nf>

AURELIUS THE UNKNOWN (LETTERS, ANECDOTES AND BIO)

While *Meditations* is one of the best-read Stoic books, not many of us know about Marcus' other writings: his personal letters and speeches. For the first time ever, *Aurelius, the Unknown* presents all his letters and speeches in a single volume. This volume also includes a biographic sketch and several anecdotes from his life. A must-read for all fans of Marcus Aurelius. <https://amzn.to/3rjRzQD>
